Public Transportation Service Limited to Essential Purposes

PRESQUE ISLE, Maine – In response to Maine’s mandate to protect public health and safety during COVID-19 pandemic, Aroostook Regional Transportation Services (ARTS) has implemented reduced office hours and transportation services. As of April 1, the office will be closed on Mondays and the PI Loop service is suspended. All trips must be scheduled in advance by phone, all passengers will be screened, and transportation will be limited to essential trips. Limiting the number of passengers, spacing between passengers, and number of stops per trip have also been implemented in order to comply with recommendations from the Governor, CDC, FTA, and State Authorities regarding public safety and coronavirus.

Public transportation is an essential service and ARTS will continue to respond to essential travel needs. To schedule a ride or for more information, please call 207-764-3384 or toll free at 1-800-442-3320.
